

## INHP

During this month Special programme was launched on “New Born Care Celebrations” all through the month in almost all the villages by ICDS Department involving the PRI representatives like Mandal Presidents, MPTC’s and Grama Panchyath, Sarpanchs etc; for which the entire INHP Team from this organization have attended & given technical support to the AWW’s & ANM’s at rural areas. This program was launched at village level / sector level & also Mandal level to sensitize the mothers committees in the entire Distt.

**30/06/09**

Quarterly review cum evaluation of INHP Program in the Distt was held in Head office “KRUSHI” NGO Karimnagar with the Block coordinators by Smt. Manjula, P.O CARE India from Khammam Dist. Smt. Venkataramana P.O CARE from Branch Office Karimnagar also attended this review meeting. In this meeting the program officer has ascertained the over all Progress achieved Block-wise in Health and ICDS activities and the impact of support given by the Block coordinators in each Block after the project period is completed beyond 30/06/09. She has also ascertained about the issues involved in implementing the project besides asking them to submit the following particulars for assessing the evaluation of the project.

1. Preparation of success stories indicting the supply problem issues and service deliveries at AWC’s and the out put with impact on the project.
2. Joint sector meetings and its impact on the project.
3. The list of MO’s with name of the PHC and his mobiles numbers who have not given co-operation to streamline the convergence meetings at sector level and also the action taken by Block coordinator to rectify the above missions
4. To identify the AWC’s in each Block which are having problems and which remained as hurdle for malnutrition and to suggest ways & means for its improvement.

The CEO, ED, PC and all the Block coordinators of the project have participated in this last review meeting as it is the last day for complet on of the project.

The CEO at the end of the review meeting conveyed gratitude to the CARE India officers for their coordination through their support services in implementing the project successfully for the last more them 6 years.
